Series: The Summoning

Book: Summoning positivity

BismillahirRahmaanirRaheem

1. If you be patient at a time in which you normally lose your cool/ composure, you'd be on your way to discovering a new world of positivity that exists all around you; it just depends on your point/angle of focus: ~~for lack of a~~ for lack of a better example; Are you concentrating on the elephant's trunk and all the benefits that it brings to its community?
